## McLernons Independent Community Pharmacy of the Year Award

### The Rye Pharmacy, Leixlip

The team at Rye Pharmacy pride themselves on being a very close-knit one. It can be hard to find a group of people that genuinely enjoy working together and it helps to create a great atmosphere in the pharmacy. The customers definitely notice this atmosphere and feed into it too.

The superintendent and supervising pharmacists work together closely to create an environment that reduces undue stress, enhances workflow and boosts morale which leads to overall improved productivity and a really nice place to work. The ethos is that first and foremost, the team are a part of the community. The Rye Pharmacy has become an integral part of the community in Leixlip for the last 10 years and is continuing to see business grow year on year. Customer service is of utmost importance in an increasingly competitive pharmacy sector.

Says the team, "It is a privilege for us to service the community of Leixlip and we hope to continue to foster this symbiotic relationship for many years to come!"

### Reidy's Pharmacy, Rathcoole

The team at Reidy's Pharmacy have worked together quite effectively throughout the years of service together. This includes the introduction of new services provided in the pharmacy. This included the 24 BP monitoring and most significantly the vaccination service which has greatly expanded.

The team worked so incredibly hard during the COVID-19 pandemic where they would come in an hour early to work and stay an hour later to finish up all the days tasks at hand. Reidy's Pharmacy is a family run business serving the needs of the local Four Districts communities for over the past twenty years and continue to go from strength to strength with the quality of healthcare they provide to each and every one of their patients.

## Pharmacy Hub, Tallaght

Pharmacy Hub has collaborated on a number of projects and initiatives within the community. They recently offered a comprehensive health check for a local business and completed a seasonal flu campaign in local schools. The major annual collaboration is Tallaght Health Awareness Month, which is every October.

Pharmacy Hub opened in 2018 with a vision of creating an independent pharmacy providing a personal customer focus. The team has since then built from 4 to 10 and continue to look forward, embrace change and embed deep roots in their community.

Pharmacy Hub is driven by passion, hard work, dedication, exceptional customer service and innovative thinking. Pharmacy Hub has been recognised and awarded for its attributes within the local community and comprises of a proud team built on traditional core values, considering themselves as a 'pharmacy family' within the Hub.

## North Road Pharmacy, Drogheda

As a team the togetherness and definition of team-work is defined and unanimously endorsed and proven on a daily basis by the team in North Road Pharmacy. Their flexibility and openness to change and the support of each other is unparalleled. From the ordering procedures, the IT involved in inputting orders, the stock control is obviously made easier by the software they use however the time, effort and efficiency of everyone involved to successfully navigate these processes is phenomenal.

"The definition of a community is varied however our belief is it a group of people living together in a larger society. We are part of that environ and a pivotal part of it. We try and help each and everybody in this group," they say.

## Mark's Pharmacy, Ardee

The team at Mark's Pharmacy always employ a strategic approach to collaboration and communication, ensuring that every team member is engaged and aligned with the pharmacy objectives.
